

Job as Tour Guide / Private Driver

For our travel company, we are also looking for tour guides that take tourists on day trips by private car. We especially look for tour guides who can teach skiing in various ski resorts in Switzerland.

Who we are

Suisse Plus Travel is an innovative travel company from Switzerland that runs private tours for the budget-oriented traveller in Switzerland. We are looking for freelance tour guides to join our team.

Job Description

You will be picking up clients at their hotel anywhere in Switzerland by private car and drive them to places they want to visit. Each client has different requirements, and all our tours are customized. Some of the popular destinations of our clients are Interlaken and Titlis. If you qualify to join our team, we will send you tour requests and you can individually decide for each tour if you want to accept or reject it.

Job Requirements

- Flexible schedule and availability for last-minute bookings (ideal for students and freelancers). If you can only work on 1 fixed day per week and have a lot of leisure time activities this job is not suitable for you.
- Private car in good condition (not too old, eco-friendly cars preferred)
- Good driver (Not having problems driving up to around 7 hours per day and working up to 12 hours per day. Our day tours are up to 12 hours and our half-day tours are up to 6 hours.)
- Good general knowledge of roads in Switzerland. If you use the navigation system often this will make a bad impression on our clients. For example, you should be able to drive from Zürich to Interlaken without using navigation.
- Passion for travelling and good knowledge of general sightseeing places in Switzerland
- Good general knowledge of geography & culture in Switzerland and basic historical knowledge. Deeper historical knowledge is welcome but not necessary. Our clients mostly do not have a deep interest in history.
- Preferably good at skiing and able to teach skiing to beginners. If you can't, you can still apply but your work opportunities in the winter will be limited.
- Languages: good conversational English is a basic requirement (minimum B2, better C1 C2 level). Other languages are welcome. Languages we are particularly looking for are Spanish, Portuguese, Mandarin Chinese, and any languages from India.

Salary

Around 400 to 550 CHF for a full-day tour (up to 12 hours) and around 250 to 400 CHF for a half-day tour (6 hours). The salary depends on the tour type and the number of clients. Payment for petrol is the responsibility of the tour guide.

If you are interested, please send your CV via email to info@suisseplus.ch. Save your time, we don't need a cover letter. Please also send the car model you intend to use for the tours and how many seats your car has. If you have questions, you can send us an email or call +41 79 782 20 68 (please do not send any messages on WhatsApp).
