

# Inhabiting Radical Housing

The global fight for housing and the  
production of knowledge around it

Wednesday, 11 May 2022, 18.30 h

Zentralwäscherei, Neue Hard 12, Zürich

Michele Lancione, University of Turin  
Philipp Klaus, INURA  
Antonia Steger, Urban Equipe  
Philippe Koch, ZHAW  
Moderation: Hanna Hilbrandt, UZH

What can Zürich learn from housing struggles elsewhere? To reflect on this question, upZ is delighted to host Prof. Michele Lancione, one of the leading housing scholar-activists in Europe. Following an introduction into his research on housing precarity, "radical organizing" and the politics of producing knowledge around these matters, a panel will discuss learnings from these global experiences for housing struggles in Zürich.
