MPA'10
1st workshop on Movement Pattern Analysis
September 14th 2010, Zurich, Switzerland, held in conjunction with GIScience 2010.

Workshop program

When?	What?	Where?	Who?
from 08:30	*Registration*	*GIScience Registration Desk*	*GIScience*
09:30-09:45	**Welcome and Opening.** Scope of workshop, goals, organization	Meeting room	MPA'10 organizers
09:45-10:30	**Keynote 1: Harvey Miller** Mobility in geospaces: What can we say analytically (so far)?	Meeting room	Miller
10:30-11:00	**Keynote 2: Kathleen Stewart** Patterns of Moving Objects: Why so interesting?	Meeting room	Stewart
11:00-11:30	*Coffee break*	*Atrium ("Lichthof")*	
11:30-13:00	**8 benchmark datasets/problems** each 5 minutes presentation and 5 minutes questions	Meeting room	8 presenters
13:00-14:00	*Lunch*	*Mensa*	
14:00-14:45	**Keynote 3: Christophe Claramunt** Moving objects at sea: trends and challenges	Meeting room	Claramunt
14:45-15:30	**Break-out groups, session 1** Each discussing 2 benchmark datasets/problems, group assignment	Meeting room (split)	all, 4 groups
15:30-16:00	*Coffee break*	*Atrium ("Lichthof")*	
16:00-17:00	**Break-out groups, session 2** Each discussing 2 benchmark datasets/problems, group assignment	Meeting room (split)	all, 4 groups
17:00-18:00	**Closing session.** 4*5min rapporteurs, deliverables, concluding discussion.	Meeting room	group rapporteurs, MPA'10 organizers
