

The logo for New Reinsurance Company Ltd. (NewRe) features the text "new/re" in a blue, sans-serif font. The "re" is slightly smaller and positioned below the "new".

Pricing Actuary/Cat Modelling (Internship July 2021-March 2022)

New Reinsurance Company Ltd. (NewRe) is a Swiss reinsurer, founded in Zurich in 1926. In 1988, NewRe became part of Munich Re Group. What makes NewRe a preferred reinsurer is our determination to find appropriate reinsurance solutions for our clients, coupled with thorough market know-how and swift response times.

You will join the Property Underwriting department, made up of 10 Underwriters involved in European business.

Place of work

Zurich

Contact Person:

Pius Sibling, psibling@newre.com

Your responsibilities

- Assist the Property Underwriters in pricing and modelling of European treaty reinsurance
- Quantitative analysis of client claims information, exposures and client portfolios
- Prepare modelling input during renewal season (Oct-Dec)
- Support Portfolio Accumulation process after the renewal (Jan-Feb) with our Pricing Actuaries
- Participate actively in projects with clients and brokers

Your profile

- University degree in quantitative field or natural sciences
- Good analytical skills and a flair for numbers
- Advanced user of Microsoft Office (especially Excel)
- Experience in statistics and probabilistic modelling
- Knowledge in natural hazards and/or Nat Cat Modelling would be a plus
- Programming skills in R, Python and SQL
- Basic knowledge of financial market products desirable
- Team player with good communications skills
- Proactive and innovative in solving problems
- Flexible, reliable, exact and organized
- Highly motivated with an ability to work in an international environment
- Fluent in English (additional European languages would be a plus)

Our common benefits

NewRe stands for intelligent reinsurance solutions. We serve our clients responsively - with open minds and a refreshing attitude. Our employees are our key asset. We love challenges and flexibly bundle our skills, experience and personalities to deliver outstanding results. Being part of the Munich Re Group, the leading international risk carrier in the field of reinsurance, we combine financial strength with the efficiency and creativity of a medium-sized reinsurer. Excellent opportunities providing you with the scope to realise your full potential await. We look forward to receiving your application by clicking on the button "Apply online".
